For more details on tuition rates, accommodation packages, application instructions and deadlines, visit [www.HERSnet.org](http://www.HERSnet.org) or call **(303) 871-6866**.

#### **Inclusive Excellence Tuition Rate**

In keeping with the HERS mission of "equality and excellence in higher education" and acknowledging campus missions which support and educate diverse communities, we proudly offer traditionally under-resourced institutions designated as a tribal college or university, historically Black college or university, or community college an inclusive excellence tuition rate. If awarded, the inclusive excellence tuition rate will be equivalent to half of the regular HERS Institute tuition, not including early application discounts or accommodation packages.

*Creating & Sustaining a Diverse Community of Women Leaders in Higher Education*
